Mobile Sauna & Cold Plunge

About Company

Aleks Mazzeo, the owner of Mazzeo Pools and Outdoor Living, has personally witnessed the remarkable health benefits of practicing contrast therapy, which involves alternating between a sauna and a cold plunge. Aleks wholeheartedly believes in the positive impacts of this practice. To give everyone the chance to experience it, we are excited to offer you the opportunity to try it in the comfort and privacy of your own home, without the commitment of a permanent installation. We can bring this experience to you for a day or a weekend.
